

Healing with Scientific Certainty through the Christ
Christine Driessen, CSB

Passages from The Holy Bible and *Science and Health with Key to the Scriptures (S&H)*, by Mary Baker Eddy

I. Introduction to healing through Christ

Ps. 46 – God is a very present help in trouble
Jer. 32: 27, 17 – Nothing too hard for God
My 113:8 – Complete system of Christian Science
S&H 411:20 – It is fear, ignorance and sin which mesmerize thought into believing suffering is natural
Mark 12:29-33 – Two great Commandments that enable us to heal
Rom. 8:1-2 – No incurability in Christ

II. Christ overcomes ignorance by revealing to human consciousness the true nature of God and man

Ps. 103: 2-5 – God heals all our diseases, forgives all our iniquities
Genesis 1 – Account of creation by God, Spirit
Eccl. 3:14 – Nothing can be added to and taken from God’s perfect creation

S&H 142:28 – The medicine of divine Mind
Luke 7:1-10 – Centurion—Speak the word only and my servant shall be healed.
S&H 12:10 – Not blind belief, but rather Principle which heals
S&H x:3 - xi :21 – Not the human mind which heals, but the divine Mind, Principle
S&H 52 – Two cardinal points of Mind healing—foundation of Christ Jesus’ healing work
Matt. 6:9-13 and S&H 16-17 – Lord’s Prayer
Rom. 8:1-2– No incurability in Christ

III. Christ destroys sin by revealing to human consciousness our inherent innocence

Gen. 2 and 3 – False view of creation as material; matter/evil as power; breaks 1st Commandment
S&H 522:5 – Impossible for man to break away from God
John 9:1-33 – Healing of man born blind – who did sin?
S&H 475:28-1 – God’s man is not a sinner
S&H 63:5 – God’s man is innocent, good and pure eternally
S&H 316:3,20 – Christ illustrates blending with God, which gives us dominion
Rom. 8:1-2– No incurability in Christ

III. Christ silences fear by revealing to human consciousness that divine Love never fails

My 132:28-29 – Divine Love our only physician and never loses a case
Mark 9:14-29 – Healing of epileptic child; fasting
My 221:31-14 – Mrs. Eddy’s explanation of healing of epilepsy and definition of fasting
